ORDER

Issued: March 17, 2005

Released: March 18, 2005

A telephone conference was held on March 17, 2005, at the request of counsel for FCTA. The reason for holding the conference was a reported inability of Gulf Power to meet its discovery submissions on March 17, 2005, an extended date that had been authorized by the Presiding Judge. *See Order FCC 05M-10*, released March 3, 2005 (granting Gulf Power's request for 14-day extension to answer FCTA's interrogatories and document requests).

After extended discussion, it was determined that an on-the-record prehearing conference would be necessary to discuss status of case and a timely workable time frame for completing discovery.

Accordingly, IT IS ORDERED that **by 12:00 noon on March 23, 2005**, Gulf Power shall file and serve an appropriate Motion For Extension of Time to include proposed date(s) for exchange of objections, answers to interrogatories, and production of documents in connection with outstanding discovery requests.

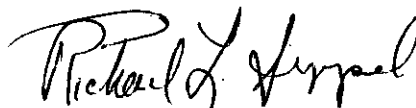

IT IS FURTHER ORDERED that Gulf Power shall provide a status report on survey, to be set forth in the same Motion for Extension of Time.¹

IT IS FURTHER ORDERED that Gulf Power shall produce copies of the survey's statement of work at the time that Gulf Power serves and files the aforementioned Motion for Extension of Time on March 23, 2005.

IT IS FURTHER ORDERED that FCTA and the Enforcement Bureau shall file and serve a responsive pleading **by 12:00 noon on March 29, 2005.**

IT IS FURTHER ORDERED that a Prehearing Conference shall be held on **March 30, 2005, at 9:30 a.m.**

FEDERAL COMMUNICATIONS COMMISSION²

A handwritten signature in black ink, appearing to read "Richard L. Sippel". The signature is fluid and cursive, with the first name "Richard" and last name "Sippel" clearly distinguishable.

Richard L. Sippel
Chief Administrative Law Judge

¹ In the telephone conference, it was contended by Gulf Power that segments of its discovery are related to results learned from the pole attachment survey and interrogatories will so indicate as appropriate. Therefore, the status of the survey should be reported in conjunction with the request for additional time for Gulf Power to conclude discovery. In the interest of fairness, FCTA may produce its discovery simultaneously with Gulf Power.

² Courtesy copies of this *Order* were transmitted to counsel for each of the parties by e-mail on the date of issuance.
